

# ST. BRIGID CATHOLIC CHURCH PARISH RECORD UPDATE FORM

St. Brigid is currently in the process of updating the information we have for each of our members. This is simply to make sure our database is up-to-date for sending mail and running reports for statistical purposes.

Please take time to provide accurate information including birthdates, marital status, gender, place of birth - all of which are used as identifiers when searching for a record. Fill out as much information as possible. This information is used by St. Brigid only, for the purposes of registration, donation, mailing, and statistical reports.

- After filling out this form with updated information, please check the appropriate line on the back, sign and date it and follow the instructions for returning it to us.
- If you believe the information we have on file already is accurate, please simply fill out your name below, check the appropriate options on the back of this page, then sign and date it.
- If you are new to St. Brigid, please feel welcome to use this form to register. Simply fill out as much information as possible, check the appropriate option on back, and sign and date.

Thank you for helping us with this important project.
